### Preferred Waiting-List Days and Offer-Commencement Dates

A separate waiting list exists for each day of After School Care operation. Please indicate

- The waiting lists for ASC days onto which you would like a placeholder for the child to be entered; and
- The date on which you would, ideally, like your child to start attendance in ASC.

The dates you indicate below will not affect your position in the waiting list for any day. See Notes (p.8) for further details.

Join Waiting List for days sought

Commencing	Commencing	Commencing	Commencing	Commencing
DD/MM/YY	DD/MM/YY	DD/MM/YY / /	DD/MM/YY	DD/MM/YY / /

Due to high demand, your child may not receive a position in the service to be able to start attending ASC on, or even soon after, any of these dates. Families who do not meet the priority of access may receive up to a maximum of three days per week of ASC initially (see p.8 for more information). Additional days will be offered once the-service needs of families that are assessed within the priority categories have been addressed and vacancies remain.

#### **Service Access**

Our Service Access Policy exists for allocating places to ensure that the system is fair and equitable. These guidelines apply to SMOOSH ASC.

Our Service Access Policy sets out the following levels of priority which we follow to support members of the community with the greatest need for access to the service:

- Priority-1 a child at risk of serious abuse or neglect
- Priority-2 a child of a sole parent who satisfies, or parents who both satisfy, the activity test through paid employment
- Priority-3 any other child enrolled at St Mary's.

Within these main categories, priority will also be given to the following children:

- children in Aboriginal and Torres Strait Islander families
- children in families which include a disabled person
- children in families on low incomes
- children with English as an Additional Language/Dialect
- children in socially isolated families
- children of sole parents
- siblings of children already in care at SMOOSH.

### How are places offered from the Waiting List

#### Offers from the waiting list/s are NOT on a first-come-first-served basis.

Placement from the waiting list into After School Care is based on the SMOOSH Service Access Policy.

Our Service Access Policy provides for two different sets of criteria for determining priority – a first order and second order criteria.

Assessing priority according to the criteria of the first order is straight-forward because the Policy establishes a hierarchical precedence amongst the criteria. For instance, children at risk of serious abuse of neglect are to be given priority over all other children and that children in the Priority-2 are to be given priority over children in Priority-3.

The second order criteria, which includes criteria such as *children in families which include a disabled person* and *children of single parents* are not hierarchically positioned in order of priority. Rather, each of the factors in the second order are weighed equally and priority, within a single first-order category, is determined on the basis of the absolute number of factors that the child exhibits.

So, where children are ranked in the same first order category e.g., Priority-3, priority will be given to the child (if any) with the higher number of second order criteria. No distinction will be made between individual second order criteria. Each second order criteria will be given equal weight and the priority determination will be made on the basis of the greatest number of factors that a given candidate can be seen to exhibit.

Applicants may be asked to substantiate their claims for priority treatment under the Service Access Policy.

The only scenario where the time at which a child's placeholder is entered onto a Waiting List is a factor in determining whether a candidate receives an offer ahead of other candidates on the same day's waiting list, is when all candidates on that day's waiting list are in all other respects equal after reference to the Service Access Policy.

#### **Making Offers**

Offers of places will be made by phone and email to the Applicant using information provided in the Contact Details section of this form. It is your responsibility to keep SMOOSH informed of changes to your contact details. You will have **five working days** to accept an offer. If you are made an offer and you do not accept that offer within **five working days**, the offer will lapse.

A child's placeholder will remain on a given day's waiting list until such time as you have been offered a place in After School Care. If you decline an offer of a place and/or you are made an offer that lapses for a particular day, your child's name will be removed entirely from that day's waiting list. To place your child back onto the waiting list for a day that you have declined/or has lapsed, you will need to lodge a separate application independent of all other applications.

When an offer of placement in ASC on a given day is accepted, the child's placeholder will be removed from only that day's waiting list.

A maximum of one placeholder per child may exist in any waiting list at any one time.

Under no circumstances may a placeholder for a child be transferred from one day's waiting list to another day's waiting list nor may a specification of days made in an application be amended after initial submission. Adding and/or removing days is permitted only by the following means:

- **Removing days**: You may at any time withdraw your child from the waiting list for any day without prejudicing the priority of the child's placeholder/s in the waiting list/s of any other day/s.
- Adding days: If subsequent to any application you wish to add a placeholder for the same child to the waiting list for any additional days not previously requested then you MUST lodge a separate application that operates independently of all other applications including with respect to the date and time at which the child entered the waiting list for the additional day/s requested.
